## Relias Healthcare Named to Inc. 5000 List of Nation's Fastest Growing Companies

**Tupelo, MS** - Today, Inc. revealed that Relias Healthcare is No. 1939 on its annual Inc. 5000 list, the most prestigious ranking of the fastest-growing private companies in America. In addition, Relias Healthcare ranked No. 119 in the health services vertical and No. 3 in the state of Mississippi. The list represents a one-of-a-kind look at the most successful companies within the economy's most dynamic segment—its independent businesses. Facebook, Chobani, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

"I'm proud of the fact that as Relias Healthcare has continued to grow at a level that is being recognized nationally by Inc., we've been able to maintain our strongest assets: our company culture and our focus on our providers, our hospital partners, and our patients," said Luke West, CEO of Relias. "This award validates the tireless work of our team members during a period where expanding our services has quite certainly sustained access to healthcare in rural America."

The companies on the 2022 Inc. 5000 have not only been successful, but have also demonstrated resilience amid supply chain woes, labor shortages, and the ongoing impact of Covid-19. "The accomplishment of building one of the fastest-growing companies in the U.S., in light of recent economic roadblocks, cannot be overstated," says Scott Omelianuk, editor-in-chief of Inc. "Inc. is thrilled to honor the companies that have established themselves through innovation, hard work, and rising to the challenges of today."
